PLUS DANCES

Our monthly PLUS ONLY dance is catching on. We had four squares at our Feb 16th dance and Francois was in great form. We were also treated to a guest caller. Terry and Janet Passarino were visiting from the Turlock, CA, area. Terry called a tip and tested our skills. Some of us failed, but we had fun nevertheless. The plus only format provides fun time to dance at the plus level and to explore alternative positions. Future dates are: Mar 28, Apr 25 and May 16.

CELEBRATING ED & EDWINA

Rita Morris

This year on Valentine's Day the Good Times celebrated two special sweethearts! In 1959, while attending church in Sacramento, CA, George Edward Koonce met Edwina Lee Parsons for the first time. Ed said he was drawn in by her beauty AND the ease with which they discussed ideas. Edwina tells us that she was especially attracted to Ed's kindness toward everyone and his inquisitive intellect. Two years later, on June 17, 1961, Ed and Edwina were married.

With a degree in English, Edwina taught elementary school and adult classes in 'English as a Second Language'. She, also, enjoyed being church organist and choir director for many years. Ed earned degrees in Mathematics and Physics and taught high school for 33 years. They lived and worked in Dixon, California. While raising 2 daughters they also found time to host foreign exchange students from Indonesia and Sri Lanka. In 2002, Ed and Edwina moved to Las Vegas to be near their grandchildren.

When asked to share a special joy of their long relationship, Edwina spoke of the many camping and fishing trips which allowed them time to relax.

So on Valentine's Day and every day, our club extends a heartfelt thanks to Ed and Edwina. Thank you for dancing with us; for sharing with us; and for showing us as Edwina said, "Sweethearts Are Forever"
